General Rules & Regulations

1. Vendors must sign a Vendor Agreement prior to being a vendor at Yuma Swap Meet. These Rules and Regulations are the ones referenced in the Vendor Agreement.
2. Vendors must comply with all federal, state, county and city ordinances, laws and regulations, and have appropriate permits and/or licenses.
3. Vendors must possess a Space Ticket for each space the vendor will occupy prior to setting up.
4. A Space Ticket represents a temporary license to occupy a particular space on a particular day and can be revoked for any reason without compensation to license holder vendor. A Space Ticket cannot be sublet, assigned or transferred by the purchaser. All changes must be approved by the management in writing. There are no refunds or rain checks. Vendors have no proprietary rights to any space.

5. Vendors cannot hold a space for another vendor
6. Vendor who purchase a space ticket for a space on a monthly basis have priority over vendors who only purchase a space ticket on a daily or weekly basis.
7. Management reserves the right to refuse admission to any person (vendor, shopper, or visitor) to the grounds.
8. Vendors who buy a Space Ticket accept the space on an as is, where is, basis. Yuma Swap Meet offers no guarantees or warranties of any kind. The vendor will specifically hold Southern Arizona Greyhound Racing, Inc. dba's Yuma Swap Meet, its officers, employees, directors, shareholders and agents harmless from any and all damages and/or injuries suffered in conjunction with its operation. Vendors must execute a Space Agreement before occupying a space. Should a vendor fail to execute a Space Agreement, the vendor agrees (which agreement is evidenced by occupying a space or purchasing a Space Ticket), nonetheless, to be bound by the terms of a Space Agreement.
9. Vendors must occupy their designated space by 8:00 am each operating day or it may be re-licensed without any compensation to the vendor.
10. Space Tickets purchased on a monthly basis must be paid for by the last Sunday of the prior month. If the next month's license fee is not paid on time, the vendor's reservation is cancelled and the space may be licensed to another vendor.

11. Management reserves the right to move vendors, and/or refuse to sell a Space Ticket to a vendor from occupying a space for which they have a Space Ticket.
12. Management reserves the right to access any space at any time to inspect all merchandise and regulate what the vendor sells.
13. Vendor merchandise, awning frames, vehicles, tie downs, tables, racks, etc. must remain within the lines of the rented space.
14. All awning shades, tents, tarps, etc. must be firmly secured to the ground. Vendors are responsible for any injuries or damage that occur from vendor awning, shades, tarps, tents, etc
15. Due to insurance requirements and the safety of our shoppers and vendors, driving in the selling area of the swap meet is strictly prohibited during the busiest hours. These hours will be announced and vary throughout the year.
16. All awning, frames, merchandise, tables, racks, and vehicles must be removed by the end of the day for any space if the vendor does not possess a space ticket for the following selling days. Any property left in a space may be confiscated and destroyed at Yuma Swap Meet's discretion. If property is returned, a return fee of \$ 100.00 will be assessed. This return fee must be paid prior to the return of said property.
17. Vendors wanting to reserve a space for the next season (November-March) must pay for the month of November no later than the last Sunday of March of the same year.

18. The right to license specific spaces will be auctioned off. The auction price only provides the right to lease a space, and is in addition to the regular space rent. Certain spaces will be auctioned on a monthly basis; others will be auctioned only once per season (October through April). Auctions may be conducted as a silent or a live auction. Auctions forms and complete information will be available in the office.

19. Vehicles left on the property will be towed unless they are in a prepaid space.

20. Vendors are expected to conduct their business in a professional and fun manner.
